

BOTH SIDES WILL LAY COAL CASES BEFORE COOLIDGE

New York Conferences Fail To Bring the Warring Sides Together.

THREAT OF STRIKE IS MORE OMINOUS

Operators Want Commission To State Definitely Issues Involved.

New York, Aug. 17.—Both sides in the anthracite coal controversy were preparing today to lay their cases before President Coolidge.

Whether their representations to the White House are to be made through the United States coal commission, which is now expected to report to the president anyway, or whether each side will lay its case before the president independently, was not formally announced, but there were reports about the conference chambers that the latter action might be expected.

Conferences between the commission and the miners, headed by John I. Lewis, president of the United Mine Workers, and the operators, headed by Samuel D. Warriner of the Lehigh Valley Coal company, apparently were without effect and failed to bring the warring sides together.

The coal commission went into executive session and was understood to be considering the advisability of having each faction lay its side of the controversy directly before the president.

Fear Strike Threat
It was reported, according to both delegations, that the commission might recommend such action on the theory that the dispute had gotten beyond available conciliation agencies and should be brought before the tribunal of public opinion through the president himself.

Failure of the conference to get together on the questions at issue has made more ominous the threat of a strike of 155,000 miners in the anthracite coal fields on Sept. 1.

Unless the commission is able to find a way to break the deadlock today the members will leave for Washington and report the status of the controversy to President Coolidge and wait orders.

It was understood the operators would ask the commission to state definitely to the public the issue involved. Those in close touch with the situation doubted that the commission would comply with this request without having first given an explanation of the entire situation to the president. The deadlock between the operators and miners once more pivoted about the "check-off" system.

The break came after way apparently had been paved to negotiations which were expected to lead to a peaceful settlement between the two factions.

DR. CONRAD FACES SHOOTING CHARGE

Liquor Enforcement Agent Given Hearing Before Palestine Squire.

Charged with shooting with intent to wound or kill, Dr. S. E. Conrad, East Palestine law enforcement officer, was given a hearing Friday before Justice of the Peace Weaver, following his arrest on a warrant sworn out by Charles McCauley of East Palestine.

A few weeks ago McCauley is alleged to have been shot by the enforcement officer, at Kelly's park, near Leetonia, when Conrad suspected him of having liquor when he saw him throw a bottle away.

McCauley was fined \$100 and costs in Mayor Ferren's court a few days ago on a charge of possessing liquor. Owing to McCauley's previous good record he was given a minimum fine by the mayor.

MRS. BOWMAN DIES THURSDAY EVENING

Mrs. Mary E. Bowman, 86, widow of the late John H. Bowman, a civil war veteran, died at Central Clinic hospital early Thursday evening after a three weeks illness.

One of Salem's oldest residents, Mrs. Bowman had resided here for the last 35 years. She is survived by two children, Carl C. Bowman of Salem and Mrs. Clara Payne of Mt. Pleasant, Ohio. She also has five grandchildren and nine great grandchildren surviving.

Funeral service will be held at the home, 125 Euclid st., at 2:30 p. m. Saturday. Interment in Hope cemetery.

German Chancellor's Murder Is Denied

Berlin, Aug. 17.—A report, believed to have originated in Paris, that Chancellor Gustav Stresemann had been assassinated, was proved untrue today. He was at his office attending to official duties.

Ohio's Only Woman Mayor Resigns

Dr. Amy Kaukonen, Mayor.

Dr. Amy Kaukonen of Fairport, O., the only woman mayor in the state, has resigned her office to accept a position in a laboratory in Seattle, Wash. She was elected mayor on a dry enforcement platform and her tenure of office has been hectic.

Woman And Daughter Leap To Death From Seven-story House

New York, Aug. 17.—Despondent, it is said, since the death of her husband and father, Mrs. A. M. Stern, and her daughter, 25, leaped to death today from the roof of a seven-story apartment house on the upper West Side.

The two women, with hands clasped, poised for a moment on the coping of the building—then, with a scream, leaped outward.

WRECKER OF BANK GRILLED; SHORTAGE EXCEEDS \$300,000

Dayton Bank Facing Ruin, Directors Consider Closing Doors.

Dayton, Aug. 17.—Fred W. Hecht, alleged wrecker of the American National bank through forgery operations covering a period of five years, today was subjected to a grilling by First U. S. District Attorney Haverth E. Mau of Cincinnati.

Mau arrived here during the night after a conference with District Attorney Benson W. Hough at Port Clinton yesterday. Mau was put in charge of the investigation by the department justice.

With the alleged defalcation reported to have already reached a total of \$300,000 or more, further revelation of note forgeries is expected, for the national bank examiners have not concluded their investigation.

With the bank facing ruin, directors have called a meeting of stockholders for today at which it may be determined to close the bank permanently.

President J. Edward Sauer has received a proposal from the Merchants National bank to take over the affairs of the American. This proposal will be considered at today's meeting. Sauer said early today that the department would not attempt to say by what means ruin was won.

The indications, previous to the meeting, were, it was said by a person in a position to know, that the bank would not be able to weather the storm.

William G. Pickrel, attorney for the accused cashier, today expressed the opinion that when Hecht is arraigned, following indictment by a federal grand jury which will meet in November, he will throw himself on the mercy of the court and plead guilty.

Pickrel is also the authority for the statement that friends of Hecht will make an effort today to raise the \$50,000 and effect his release from the Montgomery county jail to which he was sent in default of bail.

Sec'y Davis Answers British Ambassadors

Washington, Aug. 17.—The remedy for congested conditions at Ellis Island, with all attendant evils and hardships, lies at the source of immigration across the Atlantic and not in this country. Secretary of Labor Davis declared today replying to the report of Sir Auckland Geddes, British ambassador, made public in London.

Separate Rhineland State, Allen's Plan

Washington, Aug. 17.—Establishment of a separate Rhineland state is the plan of Gen. Henry T. Allen, former commander of the American forces in Germany, has submitted to Secretary of State Hughes as a solution of the difficulties from the Ruhr between France and Germany, it was learned here today.

RENTS ARE HIGHER BUT REPORT SHOWS OTHER COSTS DOWN

Living Quarters Now Cost 3 Per Cent More Than Before The War.

New York, Aug. 17.—Rents for the first six months of 1923 continued to go skyward.

The \$50-a-month house of 1914 is bringing \$78.50 in New York, \$98.85 in Los Angeles; \$84.80 in Baltimore; \$85 in Buffalo; \$80 in Pittsburgh; \$95 in Chicago, the same in Detroit; \$86 in Cleveland; \$87 in St. Louis; \$81 in Seattle and \$92.50 in Denver.

Since Jan. 1, 1923, New York tenements have increased their rents 3.7 per cent, the smallest boost of any of the nation's larger cities. Detroit rents have jumped 10 per cent—the highest figure.

Other cities to show increases during the first half of the present year, according to figures just made public by the Department of Labor, are: Baltimore, 4.2; Boston, 5.8; Buffalo, 5.8; Chicago, 4.7; Cleveland, 4.2; Philadelphia, 8.5; San Francisco and Oakland, 4.3; Cincinnati, 9.7, and St. Louis, 8.9.

Some Rentals Lower
While these cities have been increasing the burden of the rentpayer, Kansas City, Memphis, Portland Ore., Minneapolis, Norfolk, Mobile, Jacksonville, Houston and Port and A.C., have cut the costs—slightly, the department explains, but none the less recorded a cut.

The figures of the department show that there is an abundance of costly homes in all cities of the country—apartments renting from \$75 to \$150 a month.

However, due to the present high building costs, there has been but little construction of the cheaper class homes throughout the nation, and the poorer masses are in reality paying 100 per cent more in 1923 than in the pre-war period. The \$20 and \$30 a month home has almost completely disappeared, the department's figures show.

Food Stays Up
The same report shows that food costs have mounted 44.3 per cent throughout the nation since the pre-war figures were compiled by the department.

Clothing is 74.9 per cent higher today than in 1914.

Fuel and light have jumped 89.5 per cent.

The national rent increase for the war and post-war period is 63.4 per cent, the report shows.

Combining rent, food, clothing, fuel and furniture, the living cost is 57 per cent higher today than before the war. This, the report shows, is a marked decrease from the average increase as exhibited at the same period last year and, with the exception of rents which appear to continue skyrocketing, speaks, it is believed, a steady return to a normal condition of prosperity.

Two Are Examined For School Janitor

Two applicants for the position of school house janitor took the civil service examination Thursday night. There is one vacancy in the list of janitors that the board of education must fill before the opening of school three weeks away.

One applicant who successfully passed the exam held several weeks ago will be certified to the board. The state law makes it necessary for the civil service commission to certify three names to the board of education before a man can be selected.

TEN APPLICANTS TAKING EXAM FOR COUNTY HOME JOB

One Salem Man Is Seeking Place To Be Vacated By L. B. Harris.

Lisbon, Aug. 17.—Ten applicants for the position of superintendent of the Columbiana County home faced Examiner L. H. Burke of the civil service commission of Columbus Friday morning in the law library at the county court house.

The applicants were Harry Weikart, Washingtonville; Frank Burbick, Hanoverton; W. O. Bower, East Rochester; Willis Burson, Salem; J. P. Neal, G. W. Bradbury, Evan Evans, Carl D. Bowman and William Wright, all of Lisbon, and H. R. Brinker of Leetonia.

The applicants on entering the examination room were given a registration blank in which they entered their name, age, postoffice address and occupation.

When this was completed they were given the list of questions which they were to answer. No one is allowed in the room where the examination is taking place, except the applicants, the examiner and Law Librarian Lyman Van Fossen, who is in charge of the room.

Much interest is manifested in the examination but none of the results will be made known until the three applicants having the highest standing are certified to the county commissioners.

The vacancy at the county home was brought about through the resignation of Supt. Lyle B. Harris, who will close his duties at the home on Aug. 31. With this in view the commissioners will probably receive the names of the three highest men by Monday of next week so that an appointment can be made promptly.

Kamelia Obligates 200 Candidates At Meeting In Lisbon

Lisbon, Aug. 17.—A meeting of the "Kamelia," the woman's branch of the K. K. K., was held at the Knights of Pythias hall Thursday evening. Delegations of women from Salem, East Liverpool, East Palestine, Columbiana and Leetonia were present. After a lecture on the principals of the order, a class estimated to number 200 women was given the obligation.

Following the initiation a luncheon was served and a social hour spent before the visitors returned home.

GAS PRICE HITS BOTTOM, REPORT

But State Auto Head Says Motorists Are Entitled To More.

Cleveland, Aug. 17.—Standard Oil officials here today declared that no further cut in the price of gasoline in Ohio is contemplated.

"To cut below 20 1/2 cents a gallon would cause us to do business at a loss," said Malcolm Violas, secretary and treasurer. "Our course we are not anxious to do business that way and we shall not cut unless forced to do so."

At the same time Fred Caley, president of the Ohio State Automobile association, insisted that the present cuts were ridiculous and that motorists are entitled to substantial reductions below present figures.

Oil Industry Probe Started Weeks Ago

Chicago, Aug. 17.—For weeks department of justice agents have been investigating the oil industries of the middle west, a Standard Oil Co. of Indiana, officials said today when informed that Atty. Gen. Daugherty was planning action to break up any combination that might be found. Agents in the department's Chicago office refused to reveal what would be the nature of the report they will submit to the attorney general.

Pittsburg — An electric iron left with the current turned on resulted in a fire wiping out a three-story stone and brick apartment here.

Noted Artist To Sing, Play, Tell Jokes At Chautauqua

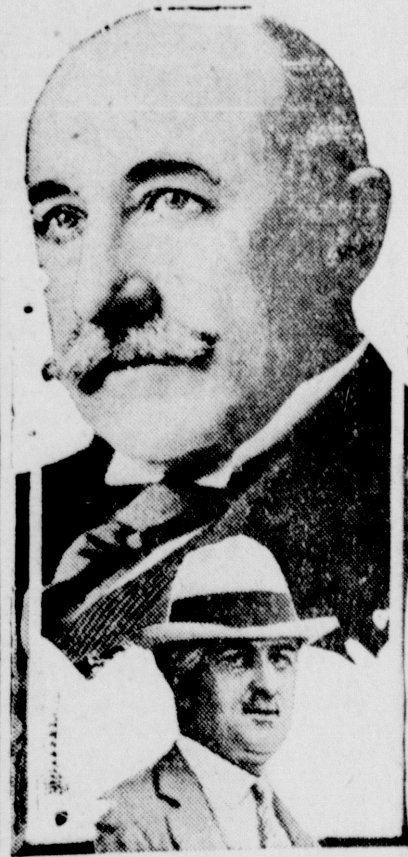

Geoffrey O'Hara, noted composer-recitalist, is coming to the chautauqua in this city Monday evening. He is an artist who entertains not only by his singing but also by playing, composing, joking and story telling.

His fame as a composer has come through such songs as "The Living God," "There is No Death," and the wartime tune of universal fame, "K-K-Kat," and scores of others.

It is noteworthy that the Victor company has made over a dozen of O'Hara's pieces into records. For the Victor company, Caruso sang O'Hara's "Your Eyes Have Told Me," one of the very few songs that he sang in English; Lambert Murphy sang the masterpiece, "There is No Death;" Orville Harrold, "The Living God;" Royal Dudson, "Give a Man a Horse He Can Ride."

O'Hara's "Tennessee I Hear You

Coal Board Acts To Avert Anthracite Strike.

John Hays Hammond & George O. Smith.

John Hays Hammond, chairman, and George O. Smith, of the U. S. Coal commission, are moving heaven and earth, in conjunction with President Coolidge, to avert a strike in the anthracite coal fields.

ALL CITY FILLING STATIONS REDUCE GASOLINE PRICE

Motorists Not Rushing To Take Advantage Of Cut Is Report.

Gas is 2 1/2 cents at all filling stations now Mr. Salem Motorist, and the prediction is today that the price will stay the same with no further slash at least until next week. Even then it is improbable.

Manager Paul Mead of the Standard received a delayed telegram from the head office of the company in Cleveland Thursday night to reduce the price effective Thursday morning. The Standard was the leader in the price reductions, the Cleveland office of the Ohio company ordering all its agents to sell at 18 1/2 cents wholesale and 20 1/2 cents retail until further notice.

The Freedom and Vahey companies, independents operating in the Salem territory, reduced their price to the Standard's cut early Thursday morning, having the jump on the Standard in Salem because of the delay in orders to the Salem office.

Filling stations are ordering in diminished quantities, evidently expecting that the price will drop further. Motorists are not rushing to take advantage of the cut but are also waiting for the expected drop. Whether the price will again drop is problematical. The state probe into gasoline prices has only started and it is thought that the price that is expected to be established by the state will not be much below the level now charged in Salem.

A price war looked imminent Thursday when one filling station reduced the price to 20 cents but later raised when other garage men pointed out the results that a cut-throat price war would have on prices here.

New Filling Station On Roosevelt Avenue

The filling station on Roosevelt ave., just opened by the Dependable Gasoline Co., is one of the most modern in this section. It is equipped with visible gasoline pumps and a concrete drive over the pit has been installed where, motorists may have the oil changed or springs oiled.

This company also has a filling station and storage tanks on Lisbon rd. It sells a new gasoline in this section called "400". It is a straight run, no blend gasoline. The company also sells Pennsylvania oils.

STANTON TO SPEAK AT CONVENTION OF ENDEAVORERS HERE

County Convention Will Be Held Aug. 30-31 In Presbyterian Church.

Prof. B. F. Stanton, Alliance, former principal of the Salem public schools; Rev. Harry Cotton, East Liverpool, and Rev. Frank Frost, Columbus, general secretary of Ohio Christian Endeavor, will give addresses at the 32nd annual convention of the Columbiana County Christian Endeavor union which convenes Thursday evening and Friday, Aug. 30 and 31, at the First Presbyterian church here. Here is the convention program:

Thursday Evening
Address of Welcome, Walter Strain, Salem; response, Miss Anna Rapp, Columbiana.

Friday Morning
Sunrise prayer service conducted by Rev. J. P. Harman, Salem; 9:30 a. m. quiet hour, Rev. Herbert Haldy, Damascus; 10, Junior demonstration, county Juniors, Mrs. E. L. McGarey, Wellsville, junior superintendent; 11, conference, conducted by Miss Schorlenberg, Steubenville, president of Jefferson county union.

Friday Afternoon
At 2 p. m. address by Rev. Frank L. Frost, Columbus; 3, business meeting installation of new officers; society roll call; 4, conference; 6, alumni banquet; 8, address Prof. B. F. Stanton, Alliance; 9, closing consecration, Rev. Mr. Frost.

The junior convention Friday afternoon will be in charge of Mrs. E. L. McGarey, Wellsville, county superintendent. Mrs. William T. Tennis, of Canton, state junior superintendent, will be present.

Seeking Carpenters To Help Build Mess Hall For Boy Scouts

Material for a 28x36 mess hall for Boy Scouts at the Rotary reservation northwest of the city will be delivered at the grounds Saturday.

As the time is too short for the Scouts to do the work, Scout Commissioner Lee R. Chamberlain is making an appeal for men to assist under the direction of George McArthur. They are asked to bring their carpenter tools.

Antos to take the men and boys to the reservation also are sought. Autoists are asked to meet at 1 p. m. Saturday at the corner of Broadway and Pershing ave.

FOUR SALEM BOOZE CASES ARE HEARD

Three Men Fined By Mayor Ferren, Case Against Fourth Dismissed.

As the result of recent liquor raids conducted by East Palestine law enforcement officers at 125 Broadway, Salem, three Salem men were fined on charges of possessing liquor Friday morning in Mayor Ferren's court at East Palestine.

The case of George Sabo was dismissed. George Bordini was fined \$50 and costs; George Stankovich, \$200 and costs, and Sam Vogelhuber, \$250 and costs.

The men are given a certain time to pay their fines in, and if not paid at that time they will be sent to the Canton workhouse.

MAYOR HAWKINS DEFIES KLANSMEN

Steubenville, Aug. 17.—In a statement directed to the press early this afternoon Mayor Frank A. Hawkins in a reply to the local organization of the Ku Klux Klan, defied that organization to remove him.

Mayor Hawkins states that he treats the Klan demand for his resignation with the silent contempt which it deserves. "He adds, 'I do not propose to accept this statement from the Knights of the Ku Klux Klan and I desire to say at this time that I expect to be re-elected mayor of this city on Nov. 7, and that I have absolutely no intention of resigning now or at any future time.'"

The mayor's statement is in reply to a statement appearing in last night's paper demanding his resignation and labeling him as a "potential murderer."

Calder, Held In Jail, Is Declared Insane

Lisbon, Aug. 17.—Lawrence Calder of East Liverpool, who has been under observation in county jail for the last week, was found insane Friday after a report had been filed by two physicians selected by the court. He will be sent to the Lima hospital for criminal insane, application having been made for admission there.

California Minister To Preach In Salem

Rev. J. A. Stevenson of San Jose, Calif., will preach at the Presbyterian church Sunday morning. There will be no evening service.

FIVE-POWER ARMS TREATIES BECOME EFFECTIVE FRIDAY

Deposit Of Ratifications Formally Made At The State Department.

POWERS AGREE TO O SCRAP WARSHIPS

Naval Treaty Will Remain in Effect Until 1936, Pacific Until 1933.

Washington, Aug. 17.—The most important international accomplishment of the Harding administration—the conclusion of treaties under which the great powers of the world agreed to scrap most of their big warships and to maintain peace in the Pacific for at least ten years—has been consummated.

The four-power Pacific treaty of the Washington armament conference between United States, Great Britain, France and Japan which provides simultaneously for the termination of the Anglo-Japanese alliance of 1911, and the five-power naval treaty between these four nations and Italy, went into effect at noon today with the formal deposit of ratifications at the state department.

The naval treaty remains in force until Dec. 31, 1936, and the Pacific treaty until Aug. 17, 1933, but both agreements will continue in effect indefinitely unless one of the contracting powers gives notice of intention to withdraw at the end of the specified period.

Simple ceremonies in the diplomatic rooms at the state department marked the deposit of ratifications.

The United States was represented by Secretary of State Hughes who was chief of the American delegation at the armament conference. H. G. Chilton, charge d'affaires of the British embassy, acted for Great Britain, and Andre De La Boulaye, charge d'affaires of the French embassy, for France; Senor Augusto Rosso, charge d'affaires of the Italian embassy, for Italy, and Ambassador Masamichi Hoshino, who was one of the Japanese delegates at the conference for Japan.

Under the naval limitation treaty a ratio of 5-5-3-3-1 is established for the number of capital ships which may be maintained, respectively, by the United States, Great Britain and Japan, while the navies of France and Italy are scaled down in proportion. This leaves the United States navy with its capital ships and plans are already being worked out by the navy department for the destruction of the fighting ships doomed by the treaty.

In addition to providing for the abrogation of the long-standing alliance between Great Britain and Japan, the four-power Pacific treaty establishes an agreement between these two powers and the United States and France by which they solemnly promise "to respect their rights in relation to their insular possessions and insular dominions in the region of the Pacific ocean."

PREPARING LEGAL CASE IN GAS WAR

U. S. Gathering Evidence Of Conspiracy To Fix Or Control Prices.

Washington, Aug. 17.—A suit in equity under the general criminal statutes to break up alleged combinations to control gasoline prices was being planned today by the Department of Justice.

Atty. Gen. Daugherty has not decided when federal action will be instituted and the time and place of initiating a suit will depend upon a summary of the reports now being filed with the bureau of investigation with respect to the "gasoline price war" in the middle west.

Public pressure for governmental action has spurred the Department to justify to ignore the federal trade law processes of the federal trade commission which is said to be powerless to apply corrective measures in the present situation. United States attorneys have been instructed to gather evidence of conspiracies to fix or control prices, and are wiring their findings to the attorney general.

Thus far, however, there has not been sufficient proof that this combination among the oil companies has gone far enough to establish clearly "illegal" agreements are in existence.

REV. KINSEY WILL PREACH IN SALEM

Rev. L. L. Kinsey, Portsmouth, Va., former pastor of the First Friends church here, will speak at 7:30 p. m. Sunday at this church.

Rev. John Pennington, of Damascus will have charge of the morning service.

On account of Ohio Yearly meeting at Damascus Sunday Aug. 26, there will be no service at this church on that date.

The first Sunday in September the new pastor, Rev. Charles Haworth, who comes from Van Wert, will be in charge.

Diplomacy Of Kindness

NOW that the nation's beloved chief has been laid away with honors, there is time to consider the touchstone of his popularity—the diplomacy of kindness. Ella Wheeler Wilcox, in one of her celebrated quatrains, has said that "just the art of being kind is all this old world needs." The passing of Warren G. Harding raises the old question, why are people not kinder? It is so simple, so easy, so natural.

No eulogy of the late President Harding was complete that did not lay stress upon his kindly nature. It shone in his consideration toward Woodrow Wilson, when he made it possible for Admiral Grayson, Wilson's physician, to be stationed in Washington. It was reflected in the kindness of Mr. Harding's criticism of those who did not agree with him. It sang its low sweet melody throughout all of his public addresses, and never better than in his reference to the unknown soldier and the dead who died in France.

Give a thought to the statesmanship and diplomacy of kindness! It sounds soft but it is really tremendously successful. Men and nations calm their turbulent spirits in its presence, and how their heads in sorrow when it is gone. "Blessed is the man who walketh not in the counsel of the ungodly, nor standeth in the way of sinners, nor sitteth in the seat of the scornful. But those whose delight is in the law of the Lord, and in that law doeth meditate day and night. He shall be like a tree planted by the rivers of water, the leaves thereof shall not wither, and whatsoever he doeth shall prosper."

The law of the Lord to which the Psalmist refers is the law of kindness.

"Something To Aim At"

A RECENT issue of the American Magazine contained an interesting if not convincing article on the ideal amount of money a man should accumulate before retiring. Out of the answers to a hundred questionnaires the author arrived at the rather startling conclusion that \$150,000 is the proper amount to accumulate before retiring.

How millions it is to attempt to fix a definite amount which one should have before leaving his business activity is apparent at once. The author agreed that the style and accustomed methods of living, the size of the place to which one wants to retire and most of all the unhappiness of retirement anyway until age and health suggest it, are factors that are to be considered even more important than securing of the exact amount.

The figure is high enough to be a star for most of our wagons. It precludes in advance any hope of retirement except for the very limited few. This amount at 6 per cent interest, it was explained, will yield \$9,000 a year or \$750 a month which is said to be sufficient to provide all the necessities and most of the desirable luxuries of life.

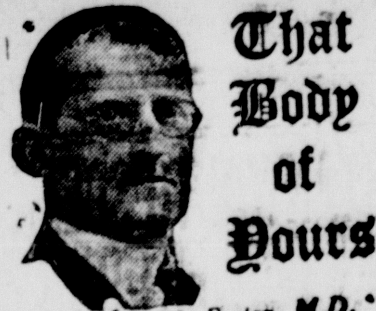

Anyway it gives us something to aim at.

HONOR RESTORED TO FAMILY

Earl of Mar and Kellie Allowed to Resume Office Which His Ancestor Had Forfeited.

After a lapse of 208 years, the office of hereditary keeper of Stirling castle, the ancient residence of the Stuart kings, has been restored by King George to the earl of Mar and Kellie. This office was conferred on an ancestor of the present earl in the year 1370 and held by the family, with one break, until 1715. The then earl took sides with the Stuarts and, being defeated at Sheriffmuir, was deprived of his title.

At the ceremony of restoration the earl presented his royal warrant of office to the military commander of the castle, and received in return the key on a red velvet cushion. Taking over the key, the earl said that King George had forgiven the act which had deprived the Erskine family of an honor highly prized by it, and which had now been restored.—Christian Science Monitor.

IS THE POTATO A GOOD FOOD?

Many dietitians speak of the potato as a poor food, whilst others praise it very highly.

Now what about it?

Well, it depends entirely upon the manner in which it is cooked. Take the ordinary method at the home or hotel. The potatoes are peeled, placed in cold water for minutes or perhaps hours and then boiled for about 20 minutes.

The water in which they are boiled is then drained off, and the potato is ready for consumption.

It is the potato prepared in this way that is a poor food. Why?

Well, there are mineral salts in the potato which are essential to your health. The earth is full of these salts, and the potato like other foods absorb them into its cells, but itself during its growth in the ground.

When you take the peeling off and boil the potato, these salts to a considerable extent are extracted by the water in the same manner as you would boil a soup bone to extract its nutritive qualities.

It does seem so unwise to throw away this water, doesn't it?

Many people however utilize the water in which vegetables have been cooked by making a sauce of it and pouring same over the vegetables. In the case of a baked potato these mineral salts are retained and the "rough age" of the peeling itself is helpful in digestion and constipation.

In the training of athletes, the potato baked with the skin on forms a regular daily article of food. You see it is rich in these mineral salts which neutralize the acids in the blood and when the blood bathes as it does, every tissue in the body, it can be readily seen what this means to the body as a whole. And so if you were to consult the menu tables of university teams you would see the baked potato holding an honored place.

I know that many people are fond of fried potatoes. The fat in which they are fried enriches them, but they are hardly the food for other than the very strong stomach.

So the potato is an excellent food if it is cooked properly.

PYORRHEA NO LONGER CONSIDERED INCURABLE

CONTAINS NO CREOSOTE

"Pyroform" Proves Boon to Many Sufferers

Although many preparations for the relief of Pyorrhea have been placed on the market in the past, few have proved satisfactory as most of them offered temporary relief only. Recently, however, the Pyroform Company, San Bernardino, California, manufacturers of a new remedy called "Pyroform" have come out with the statement that it will banish Pyorrhea from the mouth permanently. They have backed up the statement with a positive money-back guarantee. Price \$3 per carton.

"Pyroform" has actually proved successful in many cases of Pyorrhea where all hope of saving the teeth had been abandoned. This remedy penetrates to the very roots of the teeth and kills all germs as well as removing the pus formations. "Pyroform" can be obtained at the J. H. Lease Drug Stores.

MUSHROOM Parabal

GUARANTEED 3 YEARS

A short time ago we told you about this new tank ball. And the wonderful things you might expect if you used it. And several people read that ad. And came right in. And purchased one. FOR THREE YEARS' SERVICE. And now we have in our store window a demonstration of interest. And we want you to stop a moment and look at it. We have one of these MUSHROOM PARABALS holding a weight of FIFTY POUNDS. We dare you to try this with any other make. And the best part is that when this ball has held this weight for three whole days it will spring right back to its former shape and be as good for use in a tank as ever it was. We want you to watch this experiment. And check us up if we are wrong. And if it makes good with this abuse what will it do with only use. We think that you will agree with us that a ball like this will surely give in any closet. THREE YEARS' SERVICE. And that's just what we guarantee. We thank you.

STRANGE CAREER OF THE YANKTON

BUILT AS SEA-GOING YACHT, SHE IS SAID TO HAVE BEEN OWNED BY BERNHARDT.

TAKEN INTO AMERICAN NAVY

After Serving Creditably Through Spanish and World Wars, She Became a Run-Runner and Was Seized by the Government.

By EDWARD B. CLARK

Washington.—The edict of the conference on the limitation of armaments was that a great many vessels of several of the naval powers should be scrapped. Some of the American ships already have been scrapped, and many are on the way to the scrapping. A large number of United States men-of-war never will have the opportunity to make their names shine in naval warfare. Some potential Constitution may have had her victory-pursuing career closed before it was even entered upon.

Some ships that perhaps ought to have been scrapped years ago never were scrapped. A glorious career sometimes becomes an inglorious one, and such seems to have been the case of the one-time U. S. S. Yankton, which did high service only to degenerate into a run-runner which at last fell into the hands of the authorities.

The Yankton was a little ship with a career highly picturesque. In the year 1893 she was built as a sea-going yacht. She was a production of the best Scotch workmen. It is curious that nothing but tradition associates the Yankton with the name of Sarah Bernhardt. Seemingly it ought to be known definitely whether a yacht built only forty years ago was once the property of the great French actress. It is said she was Bernhardt's property, and there the saying stops, for no proof can be advanced one way or the other. Bernhardt was a great actress and so was the Yankton, and both played many parts.

Was a Good Courier Ship.

The Yankton was given its name by the United States government in honor of the South Dakota city. Yankton was considered a good name because it is so unusual and possibly also because of the significance of its first syllable. The Yankton had other names before Uncle Sam took it over. It was called at one time Penelope, which suggests works of domesticity. Later it was called Sapphire, and then it became Cleopatra. It is a far cry in the general considerations of circumstances from Penelope to Cleopatra. Uncle Sam wanted the Yankton for use in the Spanish war. She was a fast ship, and she performed her courier service excellently. Later she was converted by the United States into what, for courtesy's sake, was called a "gunboat." She mounted a few small guns and this was the excuse for classing her with the armed sea forces. However, the Yankton kept up her message-carrying service. The naval authorities thought well enough of the ship to send her around the world as a messenger-boy with the great battleship fleet which under the orders of Theodore Roosevelt made the world journey as an object lesson to the other powers of earth.

After her active service of nearly twenty years in the navy she was found fit for sea duty in the World war, and it was given to her to do. The Yankton was a dispatch bearer in the Mediterranean sea, and she came back to this country proudly with the praise of all sailors, which, if it could have been converted into a medal of honor, would have been given to the doughty yacht for her high service through the tribulations of war time.

Her Fall From Grace.

Three years ago Uncle Sam sold the Yankton at auction. The proverbial "song" was paid for her. Now, here comes a mystery of the seas. Nobody, in Washington, at least, seems to know just what happened to the Yankton between October, 1921, and December, 1922. It is believed that she was taken by one of the British owned islands and there given a British registry. That she had such a registry is known. Then the ship which had served so long a good cause is believed to have fallen entirely from grace and to have become a mere caterer to the appetites of men for alcohol. Concerning her more recent history the Boston Herald says:

"Midwinter found her off New York and then off Providence, and off these coasts she hovered for several weeks. In Rum Row she lingered, from time to time parting with portions of her cargo, and there also she parted with her supercargo. The supercargo went aboard a British ship leaving word that he would come back with cash to pay off the crew. He never has come back. Finally when the crew was practically out of food and the engines had no fuel, a tug boat came alongside, and, with the enterprise of dime novel pirates, took over the balance of that cargo of alcohol. Finally, their compromising cargo gone and themselves reduced to burning the fittings of the yacht for fuel, the crew sailed into New York harbor."

So the Yankton once more came into the keeping of the United States. She has been sold again at auction. It may be that she can be made seaworthy and that the future still holds for her years of service.

ALWAYS POPULAR MALE QUARTET AT CHAUTAUQUA

NATIONAL MALE QUARTET

Members of the National Male Quartet present the highest type of music, besides being entertainers par excellence. They are to appear on Chautauqua's closing day.

Charles Cox, basso, is director of the Quartet. His voice has a phenomenal range from F above to pedal C below. He provides an unusually entertaining part of the program by his top-notch character sketches.

Maurice Ivins, baritone, is a solo singer whose repertoire includes some of the best selections for the male voice. Charles W. Nicholson, first tenor, renders sacred numbers from the leading oratorios in a pleasing and effective manner. Stanley Graham is second tenor and pianist. His piano solos are from such composers as Grieg, MacDowell and Debussy.

Hogue Will Try Out With Akron Indians

Sebring, Aug. 17.—Frank Hogue, Sebring grid star, who performed in stellar fashion while a member of the Sebring Tigers, is in line for a tryout with the strong Akron Indians.

Hogue is a backfield man of considerable ability, being a fast man and a good broken field runner, in addition to having the necessary weight and ability to hit a line hard. That more will be heard from him, when the season gets under way, is anticipated by his admirers here.

Joe Mills, who played with the Akron team last season has also signed for this year.

A desk blotter invented in Germany consists of a strip of blotting paper so mounted on reels that as it is lifted a ratchet moves a clean surface into position for use.

Install Eight-Hour Day in Steel Mills

Youngstown, Aug. 17.—Youngstown steel mills yesterday installed the eight-hour day in blast furnaces without any labor shortage, it was announced today.

That this was due in part to curtailment of mill operations was believed here, after announcement was made today that the Youngstown Sheet & Tube Co., is banking two furnaces at Hubbard and a Republic Steel & Iron Co. furnace at Hazelton was blown out for repairs.

The closing of the three furnaces leaves only 32 of the 46 in the Youngstown district making pig iron against 43 in operation June 7 to June 25.

NEW RECORD SET BY STATE BANKS

Columbus, Aug. 17.—Resources and deposits of Ohio banks exceed all previous high records, according to a report made public today by H. E. Scott, state superintendent of banks, based on the condition at the last call June 31, 1923. The statement also said that savings deposits are the largest ever recorded in the state.

Resources of 748 state banks were given in the report at \$1,688,691,010, deposits, \$1,456,844,231 and savings \$673,986,773. Resources showed a gain over the call of April 3, 1923, of \$62,041,107, deposits \$194,305,775 and savings \$96,026,771.

Loans and discounts totaled \$1,076,108,800, an increase of \$139,917,870 during the year. There was a material reduction in the liabilities of banks, the decrease being \$2,215,267. The combined capital of all state banks totaled \$101,797,530, an increase of \$4,584,254.

SOCIETY

Present Playlet

A humorous playlet entitled "Aunt Ray's Cat" given by 12 members of the class afforded merriment at a picnic meeting of the Weman's Bible class of the First Presbyterian church Thursday afternoon at the home of Mrs. B. T. Myers, Ellsworth ave. It was well presented with Mrs. Robert Simpson taking the part of 'leading lady.' She was supported by this "cast": Mrs. Sarah Chalfant, Mrs. James Hill, Mrs. Myron Waite, Mrs. C. E. Phillips, Mrs. Ambrose Duncan, Mrs. O. C. Juergens, Miss LaVaughn Simpson, Mrs. G. J. Hawkins and Mrs. H.W. Leonard.

Readings by Luella Huffman of California, who displayed real talent, were much appreciated.

In two guessing contests the honors were won by Mrs. James Hill, while Mrs. Mellane won honors in a spelling match.

A covered dish dinner at 1 o'clock enjoyed by 65 guests preceded the program, which was in charge of Mrs. Stanton Heck.

Mounts Reunion

Henry Mounts, 86, Clinton, Mo., was the oldest relative in attendance at the annual gathering of the Mounts family Thursday at Westville lake, and was chosen president of the association for the ensuing year. Other officers are:

Vice president, George H. Mounts; secretary, Miss Phoebe Stoudt; corresponding secretary, Mrs. George H. Mounts; treasurer, William Stoudt.

Mrs. Martha Hockett, 82, Salem, was the second oldest person at the reunion. The day was spent in a happy social manner with a bountiful dinner at noon. It was decided to hold the reunion next year at same place on the same date.

About 115 participated in the festivities of day coming from Salem, Schriber, Missouri, Beloit, Alliance, North Georgetown, Hanoverton and Berlin Center.

Circle 1 Picnic

Circle 1 of the M. E. church held a picnic meeting Wednesday at the home of Mrs. Dallas Keller, Tenth st., and enjoyed a dinner, which was followed by devotionals, in charge of Mrs. John Kaminsky, and a social period. In opening "Rock of Ages," one of President Harding's favorite songs was sung.

Mrs. Bertha Malmsherry, who had charge of the social hour, gave an interesting account of the conference she attended at Lakeside. Contests furnished amusement.

Attend District Picnic

A delegation from Salem review No. 238, Woman's Benefit Association of the Maccabees, attended a district picnic of Maccabee women Thursday at Idora park, Youngstown.

A fancy drill was put on by a Youngstown review in the dance pavilion and a picnic dinner with other pleasures were enjoyed.

Members of reviews in surrounding towns and Akron were interested in the picnic.

Past Chiefs Picnic

Mrs. John Wells, Mrs. William Jewell, Mrs. Charles Snelvel and Mrs. William Probert, of this city, attended a picnic held by the Past Chiefs association of the Pythian Sisters, Thursday afternoon at Lake park.

A program of contests entertained and Mrs. Probert and Mrs. Snelvel won honors in these. A picnic supper was a pleasing conclusion.

Friends Missionary Circle

Mrs. Charles Haworth, Van Wert, wife of Rev. Mr. Haworth, new pastor of the First Friends church, was at a meeting of the Missionary circle of this church Thursday afternoon at the home of Mrs. Harry Haviland, Jennings ave. The time was devoted to reading articles for a Christmas box to be sent to mission field in India.

Standard Bearers Meet

With Miss Mary McIner, the new superintendent, in charge, the Standard Bearers of the M. E. church met Thursday evening at the home of Mrs. L. W. Atkinson, East Fourth st. Miss McIner, succeeded Mrs. H. Parker Lowell, a miscellaneous missionary program was given.

Ellsworth Avenue Club

Ellsworth Avenue club members were guests Thursday afternoon of Mrs. L. E. Heery, Ellsworth rd., with the usual diversions occupying the hours. A meeting in two weeks will be with Mrs. C. D. Carr, Ellsworth rd.

Bethlehem Class

Members of the Bethlehem class of the M. E. church had a picnic dinner Thursday at the Salem Country club with 31 in attendance. After a short business meeting a social time was enjoyed.

Donnelly Reunion

The Donnelly family reunion will be held Sunday at Rockhill park, Alliance.

Rev. L. L. Kinsey, Portsmouth, Va., former pastor of the First Friends church here, visited friends here Thursday and Friday. Mr. Kinsey and family came to attend Ohio Yearly meeting of Gurney Friends which convenes at Damascus next week.

A group of men composed of A. H. Falls, Dallas Keller, Fred Gibbons, Harry Kaufman, Clifford Hess and L. R. Cope left Friday on a motor trip to Mack's Creek, Mo. They expect to camp along the way and will be gone a few weeks.

Mr. and Mrs. C. H. Betts returned Thursday from a two weeks' motor trip to Pennsylvania, New Jersey and New York.

Gwendolyn Craig, of Damascus, is spending the week end with friends.

Luncheon-Bridge

Mrs. A. W. Stoner was hostess to 21 of her associates Thursday when she entertained in honor of Mrs. E. V. Burt of this city and Mrs. Jack Galatin and Miss Maude Collier of Uniontown, Pa.

Luncheon was served at 1 o'clock after which the afternoon was devoted to bridge. The prize winners were Mrs. Arch Harwood, Mrs. R. R. Miller and Mrs. Ray Carter.

Mrs. Stoner used in her decorations a color scheme of pink and white with pink asters and ferns as the predominant decoration. The favors were pink baskets filled with salted nuts.

Miss Ruth Garwood of Madison, Wis., was an out of town guest.

Roller Reunion

Rev. H. A. Brandt, of Washingtonville, pastor of the Lutheran church, there gave a talk at the annual assembly of the Roller family Thursday at Kelly's park, near Leetonia, which was marked by a large attendance.

Relatives came from Lowellville, Youngstown, Lisbon, Wellsville, Kenton and surrounding towns.

The officers are: President, William E. Roller, Washingtonville; vice president, C. J. Roller; secretary, Edith Roller, near Greenford. The reunion next year will be at the same place on the same date.

Bates Reunion

The 46th annual reunion of the Bates family was held Thursday at Kelly's park, near Leetonia, with about 75 in attendance coming from the surrounding towns. The day was enjoyed in renewing friendships and with the diversions at the park.

Jonas Poppel was re-elected president and Mrs. Byron Zimmerman is secretary-treasurer.

A reunion of the Roller family was held at this park Thursday and two families decided to hold their reunion at this place next year on the same date.

Sunshine Society

Mrs. Fred Brudery of Washingtonville, Mrs. William Brudery of Beloit and Mrs. Frank Kamper of Goshen were included in the guest list at an assembly of Sunshine society members Thursday afternoon at the home of Mrs. Joseph Meier, North Georgetown rd. An informal social time occupied the hours and a lunch was served. The third Thursday in September the members will meet again.

Class Holds Picnic

Fifteen members of the Asbury class of the First Methodist church, the number including a few invited friends, and the class teacher, Mrs. Judith Jones, enjoyed a picnic supper and a program of games and outdoor sports at the home of Miss Edna Riley, on the Millcreek rd., Thursday night.

Club Picnic

Canfield Road club members and members of their families enjoyed a picnic Thursday at Hartzell's grove, near Deerfield. A dinner, volley ball, bathing and sports added pleasure to the occasion. A regular meeting of the club will be on the third Wednesday in September.

Country Club Dance

The Harmony players will supply the music at a dance Saturday evening at the Salem Country club.

Carl Schmid, Eugene Leipper and Joseph Bartholomew have arrived in Los Angeles, Calif., where Mr. Bartholomew has joined his mother and the other boys will spend some time. They made the trip covering 3,300 miles by automobile, without mishap.

Mr. and Mrs. M. F. Stratton and daughter, Lucille, and son, Clifford, and Mary Van Barlow left Friday morning on a motor trip to Niagara Falls and Buffalo to spend a few days.

Mrs. Ed. Wayman and daughter Leone, of Akron, have returned home, having concluded a visit at the home of Mrs. Robert Patterson.

Dr. E. J. Schwartz, formerly of Salem, now chief of the state bureau of communicable diseases at Columbus, was a Salem visitor Friday.

J. F. Long and daughter Miss Josephine, Ft. Wayne, Ind., have arrived here to spend a few days with relatives.

Raymond Smith of Piqua is visiting friends and relatives in Salem. Mr. Smith is a former Salem resident.

Mrs. Blanche Gibbons of Los Angeles, Calif., formerly of this city, is visiting relatives in Salem.

Mr. and Mrs. H. M. Huffman and Miss Alfarretta Pearce were East Liverpool visitors Friday.

Mr. and Mrs. Reginald Mullette have, to Canada where they will visit relatives for ten days.

Miss Elizabeth Shope is one of a party of girl campers at Lake Milton.

Edmund Peters was in Cleveland Friday on business.

COUNTRY CLUB DANCE SATURDAY NIGHT. HARMONY ORCHESTRA. 1941

CLAY AWAY THE YEARS

Apply Bonicla Beautifier cosmetic clay to your face, and rest while it dries, then remove and see and feel the wonderful difference in the color and texture of the skin.

Guaranteed to do these definite things for the face or money refunded. Clear the complexion and give it color. Lift out the lines. Remove blackheads and pimples. Close enlarged pores. Rebuild facial tissues and muscles. Make the skin soft and smooth.

You can obtain regular sizes from your favorite toilet counter. If not, send this ad with 10 cents to Bonicla Laboratories, Indianapolis, Indiana for a trial tube.

Film Star's Brother Is Fight Victim

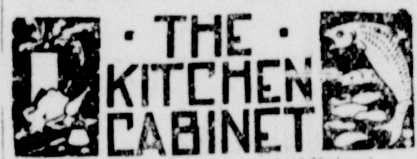

Anita Stewart

George Stewart, 21, brother of Anita Stewart, famous motion picture actress, is seriously injured in the Hospital for the Ruptured and Crippled, in New York. His skull was fractured in a fight with Ralph Ince, noted motion picture producer, according to reports of Miss Stewart's attorney. It is said young Stewart, Ince and Mr. and Mrs. Cyril Ring, stage people, were visiting roommates near New York in Miss Stewart's car when Ince and Stewart quarreled. Ince is said to have put Stewart out of the car and beaten him terrifically. Later Ince took Stewart, unconscious, it is reported, to his apartment in the Lambs' club, from which he was later sent to the hospital. Miss Stewart engaged counsel to prosecute Ince. Stewart is his sister's business manager.

STEEL MEN QUIT, ASK WAGE RAISE

Youngstown, Aug. 17.—Several hundred employees of the Republic Iron & Steel Co.'s tube mills were not working today because of dissatisfaction with the inauguration of the shorter day put into effect yesterday. The workers have asked the company for an eight-hour day and increased wages.

At present they work ten hours a day, six days a week and are largely engaged in piece work. This work is based on common labor rates. Until a complete check-up is made the exact number of men not at work could not be learned.

THE KITCHEN CABINET

"This is a difficult world indeed. And people are hard to suit; The man who plays the violin Is a bore to the man with a flute."

"And I myself have often thought How very much better I would be If every one of the folks I know Would only agree with me."

"But since they will not, then the very best way To make this world look bright Is never to mind what people say, But do what you think is right."

A FEW CONSERVES

There is no more delicious jam for occasional use than a properly prepared conserve. This is the time of the year to fill the shelves for the winter. As conserves are a rich preserve very little is needed for a serving. A jelly glass should serve eight to ten people.

Plum Conserve.—Take one box of plums, one pound of pecans, four and one-half pounds of sugar, three pounds of raisins, four oranges, three lemons, rind and all, discarding the seeds. Grind all through a meat grinder and cook together until thick. Seal in jars.

Tomato Conserve.—Take five pounds of ripe tomatoes, two pounds of sugar, three lemons, put through the meat grinder, cook all together until thick, then add one and one-half cupsful of raisins, one cupful of walnut meats and when scalding hot put into cans and seal.

Equal parts of crabapple and raw tomatoes cooked and put through a sieve, then cooked with sugar to taste, makes a fine flavored marmalade.

Strawberry Preserves.—Take a quart of sugar and one cupful of water, boil until it boils, now add three pints of strawberries and boil fifteen minutes, pour into an earthen dish and let stand over night. Can cold. Cherries may be canned in the same way.

Grape Conserve.—Take seven pounds of grapes, pulp and seed them, return the skin to the pulp. Grate the rind of four oranges and squeeze the juice, add the juice of two lemons, boil together for fifteen minutes, add five pounds of sugar, one pound of seeded raisins, one pint of canned-drained cherries, one-half pound of pecan meats. Cook fifteen minutes with one cupful of the cherry juice. Can or put into glasses.

Equal parts of crabapple and raw tomatoes cooked and put through a sieve, then cooked with sugar to taste, makes a fine flavored marmalade.

Strawberry Preserves.—Take a quart of sugar and one cupful of water, boil until it boils, now add three pints of strawberries and boil fifteen minutes, pour into an earthen dish and let stand over night. Can cold. Cherries may be canned in the same way.

Grape Conserve.—Take seven pounds of grapes, pulp and seed them, return the skin to the pulp. Grate the rind of four oranges and squeeze the juice, add the juice of two lemons, boil together for fifteen minutes, add five pounds of sugar, one pound of seeded raisins, one pint of canned-drained cherries, one-half pound of pecan meats. Cook fifteen minutes with one cupful of the cherry juice. Can or put into glasses.

Equal parts of crabapple and raw tomatoes cooked and put through a sieve, then cooked with sugar to taste, makes a fine flavored marmalade.

Strawberry Preserves.—Take a quart of sugar and one cupful of water, boil until it boils, now add three pints of strawberries and boil fifteen minutes, pour into an earthen dish and let stand over night. Can cold. Cherries may be canned in the same way.

Grape Conserve.—Take seven pounds of grapes, pulp and seed them, return the skin to the pulp. Grate the rind of four oranges and squeeze the juice, add the juice of two lemons, boil together for fifteen minutes, add five pounds of sugar, one pound of seeded raisins, one pint of canned-drained cherries, one-half pound of pecan meats. Cook fifteen minutes with one cupful of the cherry juice. Can or put into glasses.

FAT MEN HAVE ADVANTAGE

Under Certain Conditions They Are Able to Endure More Than Their Slimmer Comrades.

In the diligent research made into questions of temperature, and the effect of heat on the physical condition, by the American Society of Heating and Ventilating Engineers, in cooperation with the United States bureau of mines and the Carnegie Institute of Technology, it was discovered that fat men endure high temperatures and excessive humidity better than thin men, and, further, that the drinking of ice water when overheated does not necessarily have evil effects.

"It has frequently been stated," says the report, "that workers exposed to high temperatures developed severe cramps after drinking ice water. A few of the subjects of these experiments volunteered to drink ice water after about an hour's exposure to high temperature, and two of them, in one experiment, drank a quart of ice water in less than fifteen minutes without ill effects. Cramps did not develop in any of the subjects at any time."

On entering and leaving the specially heated chamber, the report shows loss of weight varied with the individual, the heavier and stouter man losing more than the light and thin one. Notwithstanding this, the lighter man, as a rule, could not endure the temperature conditions as long, and complained more of the exhaustion which followed.

SWEDEN SAVES HER FORESTS

Country Has Comprehensive System Which Has Materially Added to the National Wealth.

Reforestation has been carried on in Sweden as a general practice for so many years that there are no cut-over lands such as one sees in this section of the country, according to E. J. Hanzlik, local forest examiner in the United States forestry service, who recently returned from Sweden, where he studied for a year as a fellow of the American-Scandinavian foundation. "Sentiment is crystallized in Sweden so that forestry is an established thing," Mr. Hanzlik said.

Mr. Hanzlik is the first forestry representative of the Pacific coast who ever was sent abroad by the foundation. He attended the Swedish forestry institute in Stockholm and studied at the headquarters of the Swedish forest service and experiment station. The purpose of the fellowship is to assist in an exchange of ideas between countries.

Wages in Sweden are generally much lower than in Oregon, Mr. Hanzlik said. The average wage in Sweden is \$1.50 and \$2 for the man who is working in the woods or in the saw-mills, he added.

Horsepower Machine.

Individuals who claim to feel as "strong as a horse" may now have the opportunity to put their strength to a test. A device known as the eurometer, which gauges the strength of human beings in terms of horsepower, has been perfected. It consists of a bicycle transmission and a handwheel geared to a cylinder, which offers resistance to the motion of the transmission. The person being tested is required to maintain the velocity of the resisting cylinder at a predetermined number of revolutions per minute. When the machine is in motion a weight brake is gradually applied until the revolutions fall below a given standard. The weight registers upon a scale beam, on which the horsepower is the unit of measure.

Not a Silver Lining.

Just before the children, Mattie, Sadie, Sam and Lint, were to go away to school, their uncle, who was paying their tuition, called them to him. Visions of a bountiful allowance danced before the eyes of the young scholars, especially the boys.

They walked the hot and dusty mile, up hill, to their uncle's house. Dutifully they listened to a lecture of "do's" and "don'ts." Finally uncle reached into his "money" pocket.

He pulled out some stamps. To each child he gave enough stamps to last all term. The boys looked chagrined. The girls giggled at the boys. All thanked him and trudged the mile to their home.

Santo Domingo's Sad Story.

When Columbus first landed on Santo Domingo the native population numbered, according to the lowest estimate, 1,000,000 souls. Fifteen years of cruelty and oppression sufficed to reduce their number to less than 60,000, says the Detroit News. Twenty-five years later a wretched remnant of this once happy people, 600 in number, were, through the benevolent exertions of Fr. Las Casas, established in a village by themselves under the last of their chiefs. For many years not a single pure-blooded descendant has existed.

North River Lower Hudson.

The application of the name North river to the lower part of the Hudson dates back to the time of the early Dutch settlement in New Jersey. North river is the historic name of the lower course of the river which flows between Manhattan and the Jerseys. It was north of the New Jersey settlements, just as the Delaware was south, and the two rivers were known to the Dutch colonists as the North river and the South river respectively. —Wide World Magazine.

Persons who want anything know that the News is the most medium in this vicinity. So read it.

OBITUARY

Robert Stewart
After an illness of 18 months, Robert, nine-year-old son of Mr. and Mrs. A. A. Stewart, Canfield, died Friday. Surviving are his parents, five brothers and two sisters. Funeral service will be at 2 p. m. Sunday at the home; interment in Canfield cemetery.

Sylvanus Brennerman
Sylvanus Brennerman, 49, died at 8 p. m. Thursday at Beaver Falls, Pa., following an illness of tuberculosis. The funeral will be at 2 p. m. Sunday at the home of his sister, Mrs. L. E. Coy, Columbiana; interment at North Lima.
Beside Mrs. Coy he is survived by one brother, Isaac Brennerman, Woodworth, and a half brother, James Keck, Newton Falls.

STOCKS

TRADING FEATURELESS
New York, Aug. 17.—The stock market opened slightly irregular today. Trading was practically featureless, fluctuations being confined to fractions only. Vanadium Steel was an exception, yielding one point to 31½.
Baldwin rose ¼ to 118½, and American Smelting ¼ to 58½, while Utah Copper yielded ¼ to 59½.
Studebaker was firm, advancing ½ to 105, Mack Truck ¼ to 76 and Stewart-Warner ¼ to 89, but Stromberg lost ¼ to 69, and Goodrich Tire ½ to 23.
California Petroleum was active and rose ¼ to 19½. Sinclair Oil rose ¼ to 20½. General Asphalt was off ¼ to 24½. Pan American off ¼ to 51 and Houston Oil up ¼ to 45½.
Railroad stocks opened steady. Northern Pacific gaining ½. Southern Railway ¼ to 32½ and Erie ¼ to 13¼.

PARADES BANNED BY MAYOR AFTER ANTI-KLAN RIOTS

Stenheville, Aug. 17.—Fearing a recurrence of Wednesday night's anti-Klan rioting, Mayor Hawkins last night issued an order to police to prevent public demonstrations of any kind, the ban extending to gatherings, parades and even small assemblages on the streets.

Rumors of further trouble were not given much credence by officials but nevertheless precautions were taken to meet any emergency. Authorities of the city and county said outside help would not be asked.

Everything was quiet in the city last night, and there was nothing to indicate that serious disorder had occurred Wednesday night.

Klansmen from other Ohio cities arrived here and were said to be helping in the investigation of the rioting.

Four men from the East Liverpool district and two local men, who were arrested following the disorder on a charge of carrying concealed weapons, were held in jail until last night when they were released under bond of \$1,000 each. No date for their hearings

has been set. They gave their names as W. W. Kelly, John Cole, Charles Marshall and Harold Green of East Liverpool and Charles Thomas and Homer Dodge of Stenheville.

Pork And Lard Are Among Largest Items In U. S. Food Supply

Washington, Aug. 17.—Pork and lard are two of the largest items in the food supply of the American people. The average annual per capita consumption for the last five years was 67.3 pounds of pork and 12.5 pounds of lard, as compared with 69.9 pounds of beef. In several recent years the consumption of pork alone has exceeded that of all other meats combined.

A study of the hog production industry included in the 1922 year book of the department of agriculture shows that among the farm animals hogs

are exceeded in numbers only by cattle, and in value only by cattle and pigs. They are produced on three-fourths of the farms of the country and represent over 10 per cent of the value of the nation's agricultural production.

Nearly two-thirds of the commercial production of pork is in the corn belt. The amount of corn marketed in the form of hogs varies annually from 30 to 40 per cent of the entire crop. Pork exports represent about 20 per cent of the country's agricultural exports, and have held a higher place in foreign trade ever since colonial days. In 1776, the first year for which data are available, there was exported approximately 6,000,000 pounds of pork products.

Only 3.5 per cent of the hogs on American farms are registered pure breeds, and about three-fourths of the total are raised for the market.

Cholera is still the most important

disease among hogs and takes the heaviest toll. In 1922 more than 2,700,000 hogs died of the disease, causing a financial loss of approximately \$28,000,000.

TANGLEFOOT Sticky Fly Paper

Tanglefoot catches the fly and holds him. Non-poisonous. Leaves no paralyzed flies to fall into food. Does not pollute air, irritate lungs, cover furniture with powder or oily spots. Tanglefoot is safe and sure. Sold by grocers and druggists.

BRINGING UP FATHER

BY GEORGE McMANUS

CALLS FORD PLANT SCHOOL FOR FOOLS

Englishman Sees Danger In Reliance On Machine Production.

London, Aug. 7. — Henry Ford's vast factories for the manufacture of automobiles are in reality "training schools for fools," in the opinion of W. W. Scott-Moncrieff, a leading London architect. Adoption of Ford's methods of production in England, he believes, would lead to disaster.

"Ford's factory is a vast organization in which 95 per cent of its men are trained to be fools," Scott-Moncrieff said in a recent address before the Royal Institute of British Architects. "The whole aim of the organization is to produce unskilled laborers. It is man to be made a machine."

"Is man to be made a machine?" the employer constructs life in terms of sales, convenience and speed. The work is degrading; the system iniquitous.

"It must be remembered that the Americans, in spite of their fascination for the machine, have not outgrown their babyish way of looking at life."

Beauty and pride of craftsmanship, Scott-Moncrieff asserted, must be developed rather than high standards of mechanical efficiency. If the Ford system should become general in England, he said, the nation would "slip under the heels of mechanism."

Plan To Eliminate Radio Disturbance

Washington, Aug. 17. — Interference by different radio transmitting stations, the bane of the radio operator's existence, may be largely eliminated as a result of a series of experiments conducted by physicists at the United States Bureau of Standards.

The experiments deal with two main factors, directional antennae for trans-

mitting and receiving, and the use of exceedingly small wave lengths. With few exceptions radio communication has been conducted on wave lengths of not less than 200 meters, and there has been comparatively little experimentation on shorter lengths. The bureau experimenters are using a wave length of only ten meters.

The directional antennae used apply virtually the same principles involved in the searchlight. The waves from a small generating set are reflected by a parabolic reflector of hanging wires, and just as the searchlight sends a narrow beam of light in parallel lines for a long distance, so does the parabolic reflector collect and send out in a most parallel lines the radio impulses. At least 75 per cent of the radiated power is said to be confined to an angle of 40 degrees.

INSURANCE OF ALL KINDS
Kaminsky & Cope

To Settle An Estate

We offer the White property, located on East Fourth street opposite the Fourth street school building, having a frontage of 84 feet, and a depth of 150 feet with an alley on the west side and an alley on the south side. This is improved with a substantial seven-room house, modern except heater; nicely papered and finished inside; newly painted outside. This is not only a good home but has wonderful speculative value due to its location, being only three short blocks from the center of town and near school. This is one of the few desirable building spots for an apartment house that there is in Salem. If interested in the combination of a good home as well as a good investment, come in and talk this over with us.

McCULLOCH'S

Store News for Saturday!

Another Sensational Sale of New Gingham Dresses

Starts Saturday **\$1.44** At Nine
Morning O'clock

Neighborhood, porch, outing and shopping dresses, so smartly styled and daintily trimmed that they are suitable for business or street wear. All new styles, fresh and clean.

Misses' and women's sizes
86 to 44.

Extra sizes 46 to 50

Choice of fast color gingham as Amoskeag, Security, Victory and Primrose—all known for splendid wear quality.

The illustrations hint as to the beauty of styles, but the illustrations cannot begin to convey the daintiness of the many new touches which consist of organdy, swiss embroidery collars, plain contrasting materials, vestees, wide sashes, smartly fashioned pockets and other novel trimmings.

Every dress a charming new style of fast color gingham.

These three models in extra size only 46 to 54

Miss Anna Thomas, Ohio ave., had her tonsils removed Friday at the Salem City hospital.

Clarence Cope, who has been at the hospital recovering from injuries sustained in an accident, returned home Friday.

Mrs. Rhel and infant daughter returned Friday to their home in Leontine.

Baptist Missionary Society

A program on "The Dawn" claimed attention at a meeting of the Missionary Society of the First Baptist church Thursday afternoon at the church.

Miss Ann Beers gave a report of the Ohio Baptist assembly at Granville.

Former Pastor Here

Rev. Herman Lang of Detroit, will preach at the First Baptist church Sunday, in the absence of the pastor Rev. G. A. Beers, who is on his vacation. Rev. Mr. Lang is a former pastor of this church.

Painters Plan Picnic

Members of Painters union, local No. 722, will hold a picnic at Schilling Mills Sunday, Aug. 26. It was decided at the regular meeting Thursday night. Further announcement will be made later.

Recent Births

Announcement is made here of the birth of a daughter to Mr. and Mrs. John Hutson, of Cleveland, both former Salem residents. Mrs. Hutson was Miss Gladys Foltz.

DIVORCE DECREES GRANTED FRIDAY

Three divorce cases were disposed of this morning by Judge Moore in common pleas court. The first was that of Grace Snyder who sought separation from Frank Snyder charging him with wilful absence and cruelty. The parties were married at East Liverpool in 1919 and have no children.

Mary May, who resides at present in Sebring, was granted a divorce from Charles May and the custody of her youngest child, grounds for the action being non-support and cruelty.

Perry Paxson of Salem was granted a divorce from Vida Paxson, the husband charging wilful absence. The parties were married at Sherman, Tex., and after the separation, which occurred in Canton, the wife returned to her home in Texas.

CONGRESS TO PASS BONUS FOR HEROES PREDICTS SMOOT

Next Chairman Of Finance
Body Believes Cool-
idge Will Sign.

Washington, 17.—Congress will provide a bonus for America's 4,000,000 World war veterans as soon as it reconvenes, Sen. Reed Smoot, Republican of Utah, next chairman of the powerful senate finance committee predicted today.

Smoot declared he expected President Coolidge to sign the bill as it is enacted by congress and warned the measure would become a law if necessary, over a presidential veto. Smoot previously held a long conference with the president at which numerous government financial matters were discussed.

While personally advocating a bill providing for a sales tax for raising the bonus revenue, Smoot declared congress would probably pass the same kind of a measure enacted at the last session and vetoed by the late President Harding.

The old bill was sponsored by the American Legion.

"There is no longer any doubt that the bonus will become a law," said Smoot. "There should be some provision in it to raise money to pay for it. I personally advocate a sales tax but I rather expect the bill will be passed in its old form and I think that measure will be introduced in the next session."

"I cannot say for certain whether President Coolidge will sign the bonus. I expect him to but if he does not then congress will pass it over his veto. No man can block the bonus. It will become a law."

Smoot declared he intended to introduce a plan for a general expenditure tax at the next session to replace other forms of taxation.

"I will try to get the indorsement of labor organizations and farmers for my plan. It is a graduated tax. There would be no tax on a \$3 pair of shoes, a small tax on a \$5 pair and a larger tax on a \$10 pair. This tax cannot be evaded and the tax dodgers who evade other forms of taxation will be pressed to pay their full share. I think farmers and labor men will indorse it."

18,000 TO ATTEND LEGION CONCLAVE

Springfield, Aug. 17.—Reservations made to date indicate at least 18,000 men will be present at the fifth annual State Legion convention, at Springfield, Sept. 8, 9, 10 and 11. In veneration of this statement, the local committee released today a few of the reservations already received.

Dayton has already asked that one entire floor of one of the local hotels be reserved for their delegates. Columbus will send a truck train, consisting of 64 trucks, each truck to possibly carry 25 men. More than half of the membership of the Middletown post will be in line to parade on Monday. They have asked for reservations for 450 marchers. Recalling the travel days of the war, Cleveland is trying to make arrangements for a box car train in which to come to Springfield.

The committee on billets have sent out an appeal to the residents of Springfield for a registration with them of vacant rooms in private homes, which may be used in the housing of the tremendous influx of men into Springfield on the dates of the convention.

THEATRES

Jackie Coogan Here
That little Jackie Coogan has finally come into the period of his greatest possibilities was the opinion of visitors at the High school auditorium last night when "Oliver Twist" was presented. That Jackie equalled with his precocious genius and his marvelous instinct for acting, all the opportunities the role of Oliver afforded him was equally certain, and that he will have extended his circle of admirers by many millions more throughout the world, is in the nature of an axiom, so sure it is.

An inherently vigorous story has been weaved of pieces of the original Dickens' novel and this wedding process is entirely Frank Lloyd's, who not only adapted the scenario from the book but directed the making of the picture with his usual—indeed un-usual—skill.

GAS IN YOUR STOMACH

Acid, sour, ill-tasting, belching, is caused by food decomposition—That's indigestion. Let it alone and it will become acute or chronic. It has been known to cause death. Gas around the heart, palpitation, all forms of indigestion are readily relieved by taking Peppinco. We know it, you can know it for a few cents.

NON-STOP DRIVING RECORD 116 HOURS

Daredevil Lockwood Pilots
Auto 116 Hours With-
out Single Stop.

Detroit, Aug. 17.—A new record for non-stop driving was established here recently when H. L. (Daredevil) Lockwood piloted a Maxwell touring car for 116 consecutive hours without stopping at any time.

Lockwood, the self same Lockwood who gained fame by his drops from one moving airplane to another while in mid-air, by his human fly stunts performed on various of the country's most famous skyscrapers, and by his many brilliant feats as a race driver, broke his own record for continuous driving by four hours. He had previously driven for 112 consecutive hours to a record in Indianapolis.

At the conclusion of his Detroit run it was plainly evident that his physical endurance had been taxed to the utmost and he collapsed as the motor was stopped. His left arm which had been handcuffed to the steering wheel was semi-paralyzed and he was unable to lift himself from the driver's position without aid. His eyes were bloodshot and his nose was bleeding as the attending physician administered to him. Through the last 25 hours of the run it was necessary to keep a physician in constant attendance and Lockwood was forced to undergo severe pain when two boils which had developed were lanced while the car was in motion and under Lockwood's control.

Unlike most non-stop runs which are staged on a track or without interference from traffic, Lockwood faced a big problem in negotiating traffic in and about Detroit for five nights and six days. Traffic officers, however, were all pulling for the daredevil driver to complete his run and aided him wherever possible by turning traffic signals for him.

JONES AND THORPE WILL BOX MONDAY

Welterweight Champ Meets
Kansas City Flash In
Youngstown.

When Jimmy Jones, recognized world's welterweight champion, by the New York boxing commission, meets Harvey Thorpe, the Kansas City flash, in the roped arena at Youngstown the coming Monday evening, local sports fans will have what will probably prove their last opportunity of seeing the Youngstown lad in action prior to meeting Mickey Walker at Madison Square Garden.

At least, that is the word of his manager, Mick Stambaugh, who is staging the coming attraction with the view of giving those fans who have seen Jimmy in action in the past this chance to note just what chances he will have against Walker. In meeting the Kansas City lad, Jones is tackling one of the toughest

customers in the welterweight division, a boy who has met them all, barring none, and with a success that ranks him as one who will give any of the present day crop plenty of action.

Billy Ryan, the hard hitting Cincinnati welter, will verify that fact, inasmuch as his chin happened to be the landing place of one of Thorpe's terrific punches, the result being that Ryan took the long count, a feat seldom credited against him. Jack Britton, Benny Leonard and Lew Tendler, are all represented upon the calling list of the Kansas City lad, having swapped punches with him in the past.

Jones and Thorpe will enter the ring at Youngstown at practically the same weight, it being about certain that neither will exceed 147 pounds, even six hours after weighing in time. The fans in this section may rest assured of some real action, as Thorpe sends the advance word that he feels confident that his showing against the Youngstown battler will warrant him a chance against Walker, whom he claims has side-stepped him upon several occasions since winning the title.

ASPIRIN

Say "Bayer" and Insist!

Unless you see the name "Bayer" on package or on tablets you are not getting the genuine Bayer product prescribed by physicians over twenty two years and proved safe by millions for

Colds
Toothache
Earache

READ THE CLASSIFIED COLUMN

17,500 OHIO COAL MINERS ARE IDLE

Over-production When Few Are Buying Coal Is Given As Cause.

Columbus, Aug. 17.—Approximately 17,500, or one-third of Ohio's 52,000 coal miners, are idle because of over-production, according to Jerome Watson, state mining superintendent.

The Hocking fields are almost entirely "down," but there is some work in the eastern mines, Watson says. There are 1,500 mines of all sizes in the state.

Retail dealers report that they are not ordering coal at this time because what they have is not being bought by the consumer. This situation may "correct itself" overnight by a coal spell, it is believed.

Whether prices have discouraged summer buying more than the mental attitude of "Why buy coal in hot weather?" is an open question.

Taking the two most common kinds of domestic coal, smokeless lump and Hocking lump, the prices have been almost stationary since last April when the spring price drop occurred.

This firmness of price prevailed at the mine as well as on the retail market. Smokeless lump has hovered around \$6.50 a ton at the mine, while Hocking has been from \$2.50 to \$3.25, irregularly.

The retail prices have followed closely, allowing for profit. The average smokeless lump is now retailing at around \$10, and the Hocking is near \$6.50.

Ohio's normal consumption is 70,000,000 tons annually. Its production is 35,000,000 tons. In spite of this difference the state's export of coal is from 12,000,000 to 15,000,000 tons each year.

CHANGE IN PRIMARY LAWS TO BE ASKED

Columbus, Aug. 17.—Secretary of State Thad H. Brown today announced he is giving thorough study to existing primary election laws with the view of submitting to the next general assembly recommendations which will make for greater co-ordination of state laws and city charters, as well as affecting economies.

The recent primary election focused attention on a state of affairs under which large sums are required to be expended by the sub-divisions for primary elections, many of which develop no contests and are held to be a waste of money and time, Secretary Brown pointed out.

A case in point is the election at Cincinnati Tuesday, where not a single candidate on either party ticket was opposed and where it cost \$36,960 to register the vote of 11,027 electors, an average cost of \$3.35 a voter.

An event more illuminating instance was that at Youngstown where no candidates appeared on the ballots although the offices of municipal judge and ward and township assessors are to be filled this fall.

Brought to the attention of the secretary of state, a ruling was obtained from the attorney general constraining the laws as making an election mandatory even though there were no candidates to be voted for.

Thereupon, a taxpayer brought suit to enjoin the primary and the court granted the injunction.

R. PAUL SUMMERS' HAY FEVER YIELDS TO KERKER REMEDY

Well-Known Printer Is Enabled to Work During Hay Fever Season

"I took Kerker's Asthma and Hay Fever Remedy during the hay fever season of 1922, and it had been for that I don't think I would have been able to work right through the season," is the statement of R. Paul Summers, 630 Echo Avenue, Zanesville, Ohio.

"The fits of sneezing and trouble I had with my eyes were very bad," he says, "but the Kerker Remedy brought the desired results. It is the best asthma and hay fever medicine I ever took or heard of."

(Signed) R. PAUL SUMMERS, 630 Echo Ave., Zanesville, Ohio.

Kerker's Asthma and Hay Fever Remedy is distributed by Kerker Medicine Company, Zanesville, O., and is sold in Salem by The J. H. Lease Drug Stores.

Youngstown.—The regular season at Keith's hippodrome will open here Aug. 26. Bookings for vaudeville performances for the season have been completed.

Meadville.—Octave Stainbrook, 34, was instantly killed when the automobile in which he was riding crashed into a house here.

HAPPIER, HEALTHIER WOMEN by thousands are known to exist in this country because they have been relieved from pain and suffering by taking Lydia E. Pinkham's Vegetable Compound. Science in surgery and electricity have advanced greatly during the past fifty years, but treatment of disease by old-fashioned root and herb medicines has never been improved upon.

The leader of them all is Lydia E. Pinkham's Vegetable Compound which after fifty years of success is today recognized as the standard remedy for female ills and sold everywhere for that purpose. Replies to a questionnaire recently sent out to 50,000 women by the Lydia E. Pinkham Medicine Co., of Lynn, Mass., proved that it benefits 98 out of every 100 women who try it. Isn't this a marvelous record for any medicine to hold?

LEETONIA NURSE VICTIM OF MISHAP

Miss Feyock Injured When Auto Is Hit, Turned Over In Ditch.

Leetonia, Aug. 17.—About 8 p. m. Tuesday as Miss Mary Feyock of Leetonia was driving her automobile to Salem, and had reached the sharp curve in the road at the foot of the hill, several miles east of Salem on the Washingtonville-Salem rd. A Cincinnati car coming toward her ran into her machine, breaking an axle and over turning it.

Miss Feyock was imprisoned in the car. Fortunately Mr. and Mrs. Clint Wilderson, who were returning to their home here, were close behind the other machine and with their help Miss Feyock was soon liberated.

placed in the Wilderson car and taken to the Central Clinic hospital in Salem where she is nursing. Aside from bruises and shock Miss Feyock was uninjured. She was brought to her home here Thursday morning.

Miss Grace Royer and little Margaret Lillian Tittler were Salem visitors Tuesday.

Miss Helen Esther and Lois Halverstadt are house guests in the home of Mr. and Mrs. Walter Windram, south of town.

One patrol of the Leetonia Girl Scouts were on a hike Saturday, leaving town on the early car over the

Y. O. They went as far as West Point where they cooked and ate their breakfast, then walked to Round Knob hill, the highest point in Ohio. After scaling the hill and viewing the landscape, they returned to Leetonia.

Mrs. Louis Atkinson of Washingtonville visited her parents, Mr. and Mrs. Alfred Grace, in Leetonia Wednesday evening.

Mr. and Mrs. Wm. Moyer, Mr. and Mrs. Anthony Moyer and children Catherine and John and Miss Barbara Moyer left Monday for Columbiana, where they will visit Mr. and Mrs. Henry Moyer and children this week.

Presbyterian Picnic
The Presbyterian Sunday school and church held their annual outing Wednesday afternoon at Frederick's grove near Leetonia.

Gas Well Struck
A new gas well was struck last week on the George Love farm several miles northeast of town. That immediate vicinity has now five flowing oil wells and still the machines are busy drilling.

Miss Catherine Barrett is attending a wedding in Pittsburg this week.

Mrs. William Arnold and little granddaughter were Pittsburg visitors this week.

Mrs. Elizabeth Wright went to Youngstown Thursday where she will be the guest of her sister Mrs. W. B. Halverstadt for several weeks during which she will visit her grandchildren

at Lowellville and Struthers, returning to Leetonia in the autumn for the winter.

Bill Hart To Appear In The Movies Again

Los Angeles, Cal., Aug. 17.—William S. ("Bill") Hart, portraying of western parts on the moving picture screen, will return to his work Monday after an absence of almost two years, according to an announcement

PESKY BED-BUGS P. D. Q.

Try just once P. D. Q. Pesky Devils. Quietens an infestation of bed bugs, roaches, fleas and ants. Every family should use P. D. Q. house cleaning time to guard against the Pesky Devils and to prevent moths. P. D. Q. is not an insect powder, but is a new chemical that kills insects and their eggs. Each package contains free a patent sprout to enable you to get to the hard-to-get-at places and saves the juice. A 35 cent package makes one quart, enough to kill a million insects and their eggs. P. D. Q. can also be purchased in sealed bottles, double strength, liquid form.

Sold by J. H. Lease Drug Co.

Pimples

BLOOD impurities are pumped by the heart into the face. That is what causes that grainy appearance, that muddiness, sallowness, pimples, blackheads, acne, red spots, and that impossible "something" which no face cream, massage, or face powder can cover up or beautify! The foundation for a beautiful skin simply is not there, and no face treatment can give it to you. But increase your red-blood-cells, and quickly the ruby tint of purity begins to glow in the cheeks, the complexion becomes Venus-like and immaculate! Try it. It will do it every time. S.S.S. builds the red-blood-cells you need for a beautiful complexion. Begin using S.S.S. at once, and give yourself what you have been working for, for years.

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.
